Power is the great evil with which we are contending. We have divided power between three branches of government and erected checks and balances to prevent abuse of power. However, where is the check on the power of the judiciary? If we fail to check the power of the judiciary, I predict that **we will eventually live under judicial tyranny.** - Patrick Henry

Notice is hereby given that Wesley C. Smith in the above named case, hereby appeal to the United States Court of Appeals for the Fourth Circuit from the order dismissing the case entered in this action on the 12 day of October, 2007.

Respectfully Submitted,
Wesley C. Smith
