PRAECIPE

THE CLERK will kindly place the previously filed motions:

- #2 – Position On Disposition Of Funds
- #3 – Reply & Motion For Sanctions
- #4 – Demand For Jury Trial & Evidentiary Hearing

and the attached motion:

- #5 - Reply

on this Court’s docket, for Tuesday, March 13th, 2007 at 10:00 a.m. for hearing or as soon as this matter may be heard.

Note: I’ve been told that the scheduled date above and motions **might be heard under Chancery 53360**. Given that I have no paperwork to confirm the change of case number and the motion I’m replying to was filed under CL 71003 I’ve kept that case no for this precipice and reply. No matter what case number it is to be heard under, the above motions are in reply to the motion that is scheduled for March 13<sup>th</sup> and should be scheduled with it.
