Chancery No. 53360

MOTION

Comes now the Complainant, Cheri Smith, who by counsel moves this Court to quash the Defendant's *Subpoena Duces Tecum* issued by Defendant upon the Counsel for the Complainant, copy attach hereto.

In support of this Motion, Complainant states:

1. That there was not proper service of the Subpoena Duces Tecum.
2. That the items requested to be produced in request number 1,2,3,5,6 are attorney work products and/or protected by the attorney/client privilege
3. That the items requested in request number 1,2,3,4,5,6,7,8, are overly broad and burdensome;
4. That the items requested in request number 5, 6,7,8, are beyond the proper scope of discovery;
5. That the Defendant has been provided with items requested in request number 4, i.e. which have been properly sought through discovery. The current request is duplicative, overly broad and burdensome.
6. That the Defendant's requests are intended to harass Complainant's counsel

WHEREFORE, the Complainant respectfully requests that the Defendant's *Subpoena Duces Tecum* be quashed

Respectfully submitted,
Cheri Smith
