Liam Smith

DOB: 7/22/97

12/30/04, 7 yr. old boy, currently attends 1st grade in mainstreamed, non-categorical class at Spring Hill Elem. in McLean. Began 9/2004. Making excellent academic progress, but recently having trouble socially. Down's Syndrome diag. at birth. Hitting other students, often non-compliant. Potty-trained, but has had a number of accidents in past few weeks. Very stormy marital separation + divorce. # of moves in past years. Early intervention in PWC. After-school daycare. Numerous court interventions + involvement for custody. 9/2003 mother granted ad litem sole legal + primary physical custody. Major issues at this time: behavior particularly controlling + managing anger, hitting other children. Dealing with father's absence + divorce.

01-05-05 Liam is a friendly, outgoing child. Separated easily from mother, although did not want to stay in session for long. Speech + language

delay. Difficult to understand. Restless. Able to engage for a few minutes in toys. Short attention span. Very independent-minded. Difficult to set limits.

01/12/05 - Sep. easily, but didn't want to stay in session. Took shoes off. Resp. to questions limited. Played matching game for a short while, but had to be by his rules. Aware of manual sep. + sep. from father, but meager elaboration. Lays down on floor when he doesn't want to answer.

01/17/05 Seemed tired + depressed. little interest in toys or interaction. Would not elaborate on his day. Met with mother for part of session to discuss school + home behavior.

01/25/05 - Seemed brighter + cheppier than last week. Requested to play games. His rules. Little sharing or negotiation. When he doesn't get his way, lays on floor, tunes out. ~~Also~~ States he wants to leave + goes to door.

Uain Smith

02-01-05 Talked some about school day. Refuses to acknowledge diff. + hitting other children. Less observant of limits. Ran into other therapist's room + sat on couch. Pleased with his defiance. Responds to coaxing.

02-09-05 Not feeling well. Lethargic. Appears to have a cold. Wanted to lay down on floor + sleep. Difficult to engage.

02-16-05 (Butter sprouts than last week. Played + lego figures. Tried play therapy techniques + lego people to introduce getting along. Short attention span.

02-23-05 Puppets. Some interest, but short interest. Work on anger control + alternatives. Made ref. to Dad without prompting. Talked on phone to him. Says he sees him in Ohio.

03-02-05 Didn't want to stay in session. Restless, inattentive + unfocused. Would not respond to limits. Unable to verbalize distress.

Uain Smith

03/09/05 Appeared angry, Throwing toys. Would not respond to limit's. Unable to express what was bothering him. Wanted to leave session.

03/30/05 Much better than last week. Seemed happier. Glad to see me. Played games well. Seemed more alert + peaceful with self. Either he is confused about when his father is or I am!

04/06/05 Seemed happy, talked some about kids at school + routine. Still denies any pblm. = anger issues

04/13/05 More restless + withdrawn than I've seen him. Did not want to play or engage. Lay on floor kicking his foot. Wanted to go.

4/20/05 Talked about spring break from school. Got some idea of what he does at home. Likes TV. Mother told me he has been very tantrumy at times. Difficult to take anywhere.

Uain Smith

4/27/05 Tried to focus on going to stores + appropriate beh. Uain would have not of it. Very distractible + avoidant.

05/04/05 Recommended to mother to try + set firm limits on snapp. beh. + reinforce by reward positive behs. Responsive. Some improvement at school, but evasive.

05/11/05 Lethargic + withdrawn. Getting sick? Would not engage, at the. Seem happy to see me.

5/25/05 Two week lapse. Was happy today. Engaged in play. Talked about some outings. Seemed more contained.

06/01/05 I talked about school ending soon + summer plans. Seemed indifferent. Played some games + did some drawings.

06/20/05 Pretty chipper today. Seems to have had a few good weeks. Talked

-6- Cain Smith
in other about training difficulties
for summer program in Reston

6-29-05 Will be terminating treatment
due to summer program, + distance.
Talked with Cain. Not much
response. Don't think he understands,
although demonstrates + exp. difficult
for him.

07-06-03 Last session. Seemed
alert + happy. Not real emot. resp.
about good-byes.
